A Message from Your President...

Our new meeting location worked out well. Earl's in Moore will continue to be our meeting place for the foreseeable future. The car activities are starting to increase, I encourage all members to participate and put support toward representing our club. Get those Classics out and enjoy!

Happy Birthday wishes for February go out to: Carolyn Bradsher, Fred Hensley, Louise Main, David Reeds, Linda Reeds,

If your birthday was missed, it is because we don't have your birthday on record. To alleviate this in the future, please let me know and I'll update the master member info file.

Feb 23, 2013 Lunch Cruise to Guthrie

We had a great day with no snow and light wind for our "Lunch Cruise to Guthrie". Eleven classic cars lined up and departed for Guthrie at 11:00 am. Our club arrived first, got the room set up and greeted thirteen members of the Tulsa club.

They drove four classics from Tulsa and following the meal the Tulsa club went to the Guthrie Airport to see an A-26 airplane being restored. Our club traveled to Petty's Pit Stop and had a guided tour by Marvin Petty during which he told us a personal story about each of his thirty-one cars.

Some very interesting and expensive vehicles. After the tour, Marvin invited us to his place of business for cookies and a drink of our choice. What a treat!

A Very Special Thanks to Joe Mcininch for contacting Mr. Petty.

Just a few pictures from our club Lunch Cruise to Guthrie.

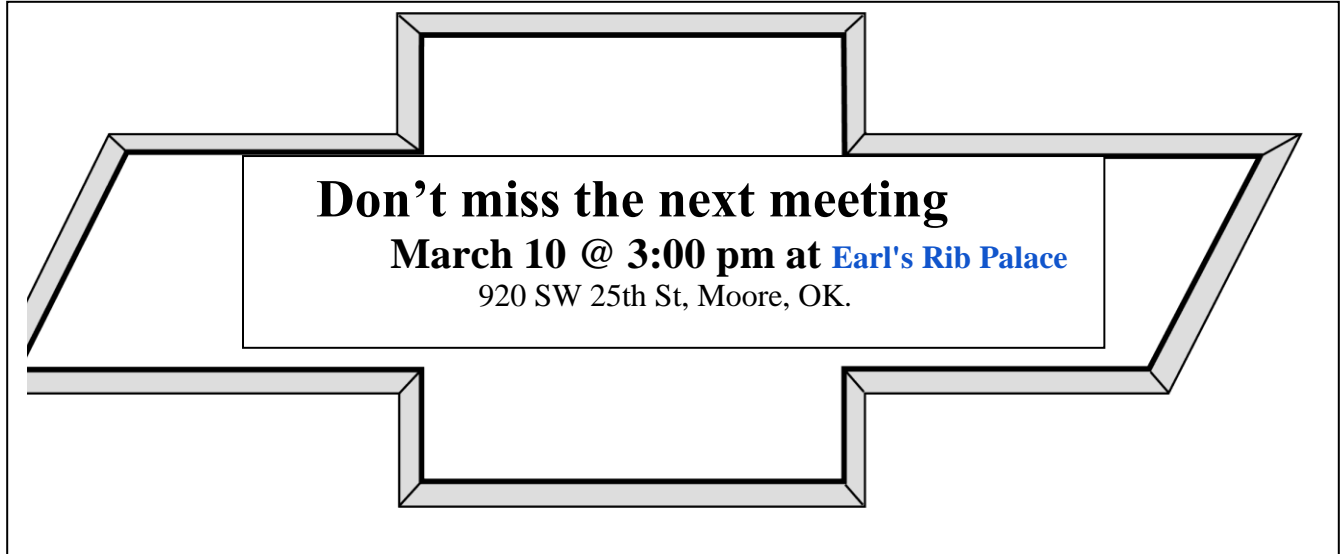

"Ladies Choice"

This month's "Ladies Choice" winner is a 55' Nomad owned by Tru and Sherri Osborne. It is Caution Yellow with a small block 400 and 63' Corvette fuel injection. Rebuilt by Tru, Sherri says, "I was a car widow for a whole year!" Congratulations to The Osborne's for being the "Ladies Choice"!

A friendly reminder please don't forget to pay your club dues.

I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible with liberty and justice for all.
