(She owns a 1956 Nomad)**

I went to one here last Sun. got a first place in my class, and ladies choice, I think that is the first time I have ever gotten any of the special awards, I was real surprised. It rained about time they were judging. I got soaked. It didn't last long. wiped it off and then it rained just enough to get it wet again

The show was at Wilson Bank and Trust, put on by the Veteran Motor Car Club, I think that is the name of their club, or something similar. There were cars of all kinds, street rods antiques, like model T's and A's, quite a lot of muscle cars, but not as many '55, '56 and 57's, it's getting so they are being taken over by the muscle cars, I guess it's more because of the age group of people, I notice most of those who have our vintage are getting older.

It was held here on June 6th in Mt. Juliet about 5 miles from me which is nice I didn't have far to go. It was rained out two previous dates, the first one on the day of the big flood, they rescheduled it two weeks later, which I wouldn't have gone to anyway as that is the weekend I went to Pigeon Forge, but it got rained out also, so this was their 3rd try, it rained some then also, enough to get wet, but the show went on, they were judging when it rained, I was trying to get mine wiped off, and they said don't worry about it as they were all wet. They took pictures but I don't know who has them.
