A Publication of Central Oklahoma Classic Chevy Club

June 2011

Greetings Members:

Summer is upon us once again and this time of year brings with it a long list of scheduled activities for the club and individual family, that include events such as family vacations, expected and unexpected visits from relatives, and the list goes on. We have a number of scheduled functions that we hope you will remember to place on your list of events, scheduled Club functions. Your participation is vital to all that we do.

The car show in Hafer Park was a success and we greatly appreciate your involvement. The OHRA show in Guthrie, Oklahoma, experienced a low attendance by the COCCC, but in spite of the low numbers, we walked away with a number of trophies.

We have a couple of major events scheduled late summer and early fall to include the Duffner Park Car show August 28, 2011 sponsored by the Village Lions Club; The Cimarron Starlite Cruiser Club Car Show in Perkins, Oklahoma September 25, 2011. So please mark and hold a place on your calendar to participate in each of these major shows so that we can have increased numbers at each of these events.

If you plan to attend our fall foliage tour, in October to Bartlesville, Oklahoma, make your reservations as soon as you can to ensure that you will have a room.

Drive safely and let us remember to keep our military troops and their families in our prayers. Our next meeting is June 12, 2011 at 3:00 P.M. at Coit's.

Regards,

Billy Overall

Lone Star Classic Chevy Show
Irving, TX
May 27, 28, 29, & 30, 2011

Central OK Classic Chevy Club members met at Riverwind Casino on Thursday at 9 am to head to Irving, TX and the Lone Star show. Rodney & Martha Duerksen, Doug & Carolyn Bradsher, Tracy & Irene Bugg, Eddie & Ruth Watts with Margie Alabaster, Joe & Donna McNinch, Jerry & Iris Emerson, Annette & Larry Myers, Larry & Nancy Nelson, Mike & Betty Rhoades were the members in attendance. Most members drove their cars. Some had them judged on the 1000 point system, some opted out of judging.

Thursday evening, the COCCC group met and rode over to El Fenix for an entertaining evening meal. We even celebrated Donna's birthday. I really don't think her birthday was then, but we celebrated it anyway with a song and very large sombrero.

The days were hot & windy. The tour on Friday, was attended by all attending. We loaded the buses at 9 am and headed out to Texas Stadium and saw what a lot of money can build. The tour there was wonderful. Lots of walking, but it was all in air conditioning. We all received a box lunch after returning to the bus. The afternoon tour was of Texas Motorplex. The air there was hot & windy, but the ride around the track warmed the guys and some of the gals to driving fast. I finally learned why some of the seats in the motorplex are painted different colors. It is to signify confetti being tossed in the air. Never would have guessed. The rest of the tour was pleasant. The ride back to the hotel was spent by either talking about their experiences at the motorplex or taking a nap.

Everyone got their cars cleaned up and ready to display for the judging on Saturday. The morning was spent doing last minute clean up duty and then the judging began. Some of the women went to the Grapevine Mills outlet mall for some intense shopping. The men were out in the heat either looking at the cars on display or judging. The ones who had never judged were amazed of all that took place and all the spots to be judged were numerous. Eddie Watts had never judged before and he definitely learned a lot. Larry judged the best of in original & contemporary paint & interior.

Some previous members were sighted at the show: Bill & Diane Preston, Curtis & Kay Welch and Herb Miller and his wife. Bill & Diane were busy with the show and couldn't sit still for a nice visit. Curtis & Kay got to visit some with the members.

Classic Chevy Club of OK, Ltd. Members Kay & Terry Simpson and Rex & Myrtle Buzan were spotted at the show. We also spotted and got to visit with long time friends, Ed & Mary Robertson, Pulaski, MS.

On Saturday night, a parking lot movie was provided along with a picnic lunch. The movie was American Graffiti. Lots of members were watching the movie, but some were watching their closed eyelids.

Most of the members went home on Sunday morning and only Doug & Carolyn stayed for the banquet and awards ceremony on Sunday evening. They came away with an award for their beautiful blue & white 55 Bel Air. Others receiving awards were: Tracy & Irene and Larry & Annette. Judging sheets will be in the mail soon. There was a 57 black convertible trailered from California, that scored 1000 points. It was a beautiful car.

I hope that all who attended had as much fun as I did. We always enjoy going to out of town car shows and seeing all the other cars that we do not see at the local shows. DACCC always puts on a GREAT show and are wonderful hosts. Wish you all could have been there. There were over 200 cars in attendance from all over the United States.

Happy Birthday Donna. Picnic and in line for tours. Happy Anniversary Doug & Carolyn.

In line to go into Texas Stadium and sitting in the shade by the cars enjoying picnic.

Members cars in Irving, TX

Doug & Carolyn win as do Annette & Billy. Matt won with Mark Houser's camaro. OHRA Car show in Guthrie winners. Don't let Doug use your camera to take pics.
