A Publication of Central Oklahoma Classic Chevy Club

June 2010

Greetings from the President:

I first want to express appreciation to each club member who attended Mel's going home celebration and for those of you who have kept the family in your prayers. Your response has been an incredible outpouring of love and respect for a real giant. We will miss him.

The Club experienced another great car show in Edmond at Hafer Park. We had cars to participate and most of you are aware that we renamed the show the "Mel Harris Memorial Show in Hafer Park". Thanks for such a humanitarian gesture and it is quite a tribute to Mel and His loving Family.

A special thank you goes out to Mike Rhodes, our show chairman, and the committee of volunteers for planning and coordinating a successful event and for the outstanding example of team work demonstrated on the day of the event.

We have two events scheduled for June 2010. On the 19th of June, we have scheduled the annual picnic at Mark Houser's farm; and on June 20th, we participate in a car show at "Peoples' Church—Dad Fest" - this show will provide great exposure for the club. We recognize that this is Father's Day and we certainly will appreciate any and all of you who are willing to participate. Please let me know, ASAP, if you plan to be there—the address for Peoples' Church is 800 N. Britton Road in Oklahoma City.

The directions to Mark's farm are provided in the newsletter.

The motorcade to drive to Mark's farm will meet a Braum's at 15th and I-35 for a 4 pm departure time. It appears that most of the cars will be private cars rather than the "Classics".

It looks as though we are going to have a very busy summer. Hope you enjoy all that is planned.

Respectfully submitted,

Billy J. Overall
President

No problem, From I-35 and 2nd street in Edmond, go approx 15 miles east on 2nd st and or Route 66 to Luther Rd. From Route 66 and Luther Rd go 9 miles north to Seward Rd. From Seward Rd and Luther Rd go 1-3/4 East on Seward RD to orange gate. Turn south into property. There will be a large pond to the south as you turn into property stay to right of pond to campground. The last 4-1/2 miles to property is dirt road, so please drive a SUV, pick-up truck or vehicle with good clearance. I would be happy to let a couple people ride with me. Anyone wishing to fish please bring your own poles and bait.

I wish to start a new part of The Dashboard where you, as members, send in a note to me telling me what, when, and where you might have attended a car show with your classic. I will publish all that is sent to me. I simply cannot write all that goes into the newsletter. I get pretty bored with my talk. So send in some little blurb of what has been going on with you.
