Larry Myers' 1957 Nomad

True Osborn's 1955 Nomad

1957 & 1955 Sedan Deliveries (look like some cars we know?)
They travel together, but have one difference than True & Larry's cars. They have a capital "T" after their car number. They are trailered cars, but they are beautiful.

And the rains came.

The Osborn's and the Myers' traveled to Vicksburg, MS for the Big River Classics 55 - 57 car show. They left OKC between the rains and had beautiful weather until Saturday afternoon. The judging had just ended and the sky opened up and the

rains came. It didn't quit raining until Sunday as we got close to Monroe, LA. True & Sherry's 55 Nomad took one of the top 3 Cruiser Class and Larry & Annette's 57 Nomad placed 2nd in 57 Custom class. We were judged by the same CCI Rep. that judged us down in Monroe a few years back. You remember the carpet incident. Larry didn't clean under the car, but I cleaned the interior and guess where the most points were taken from? The interior. It was clean and the carpet was all swept the same direction.

True and Sherry had clock problems all weekend. You have to ask them about that story. It all started in Pine Bluff, AR the first night. It is a funny story that continued when they got home.

The Osborn's and Myers' recommends that you try next year to attend the Big River Classic car show. It is a lot of fun and there are some wonderful people that put the show on and attend the show. We meet a lot of exceptional car people on our travels.
