## **Central OK Classic Chevy Club Does It Again!!**

On a beautiful day in Perkins, OK, members from the Central OK Classic Chevy Club joined in for a wonderful car show held by the Cimarron Starlite Cruisers. Word from Kay Lynn Dragoo was that there were 216 cars registered at the show. As usual, the members of the Cimarron Starlite Cruisers put on a wonderful show and Mother Nature provided beautiful weather.

Members of COCCC met at 8 am at the corner of 15th & I-35 for a leisurely cruise to Perkins. We put on quite a show with the classics and the F-F-Ford in a long line going up I-35 to highway 33.

Yes, we have another Ford product to add to our membership. We added Joe & Pat Harrington to our membership (2 Pat's Barbeque). Joe drives a 56 Ford and Pat drives a 55 Bel Air HT.

Members that were attending the show are: John & Kay Lynn Dragoo (they were a part of the host club); Rodney & Martha Duerksen; Rudy Escalera; Gale Garvin (he brought 3 cars); Joe & Pat Harrington; Johnny Hewett; Mark Houser (he brought 3 cars); Joe McIninch; Phil McKowen; Larry & Annette Myers (they brought 2 cars); Bill Overall.

As you can probably count, we can account for 16 cars and we won the award for the most registered as a club at 17. We won the right for special parking next year and a huge trophy and \$100. We were supposed to have the special parking this year, but with John Dragoo having been released from duty in the CSC club, Shelby forgot to set aside our special parking. We have addressed this with Shelby and he has apologized to the club. We will be parking in special parking next year, won't we Shelby?

The members were interviewed by Bill Williams who is a photographer with the Discovery Channel. The show will be on January 17, 2010. We will let everyone know when the show will air.

The club members had a good time and some of the men received a pickle pin. Ask the men about that.

### Claremore Show a Big Hit!

On September 12, Rodney & Martha met with Larry & Annette to drive to Claremore to attend our sister club's annual show, Bluegrass & Chili Festival Open Car Show. We were watching out to make sure that the rain held off and it did.

If you have never been to one of these shows, you have missed out. This is a judged show and there is food, music and friendship there.

Rodney & Martha and Larry & Annette each won class awards and Larry & Annette won Best of Show with their 1957 Nomad.

Rodney & Larry presented Classic Chevy Club of OK, Ltd.'s president, Terry Simpson, their award that was forgotten at our show in May. Rodney even got on his knees to apologize to Terry.

The award ceremony was pushed up because of the impending rain (it finally came) and afterwards we headed to OKC with a stop at the Hard Rock casino to eat a meal. No card or machine playing was done at that stop. We drove home in the rain. Larry was cautious while driving in the rain because of the wide tires. We kind of skated home. We'll go again next year.
