September 2011

Greetings:

I want extend once again our appreciation to Tracey and Irene for hosting our last meeting in which we elected new officers. We experienced the usual over the top hospitality, plenty of great food, and awesome fellowship. The only change we are hoping for next year is cooler weather!

Our club voted to attend the Village Lions, and the Perkins Auto shows. We did not have the numbers expected at the Village Lions Club, Car Show we had only five (5) members present. All attendees received trophies in their respective classes.

We committed to attend the Perkins Car Show – Perkins, Oklahoma, September 24, 2011. We will leave Braum's at I-35 and 15th Edmond, Oklahoma - please arrive between 8:00 and 8:30 for departure to the event. We would like very much to have at least 15 cars participating in this event.

Our next meeting will be September 11, 2011 at 3:00 PM at COIT's on 50th & Portland. Come and greet the newly elected officers and our meet our new members.

Respectfully,

Billy

Duffner Park Car Show

August 27, 2011

Attended by

Billy Overall, Larry & Annette Myers,
Harold Parker, Gale Garvin, Mike
Rhoades.

Members in attendance all won awards in their classes. Billy & Harold in Modified 55—57 Chevy, Larry & Annette in Original 55—57 Chevy, Gale in 33 Ford, Mike in Jeep class. Harold won Best Paint award.

Congratulations to all the winners.

We didn't win the most in club attendance award this year. The attendance for the show was down from last year. Maybe the heat had something to do with it.

Simon Wayne Watson
December 8, 1935—August 6, 2011
Wayne completed his circle of life at his home, following a short battle with cancer at the age of 75. Since he would never let you forget it, all who knew Wayne, knew he was born and raised in North Carolina. Wayne is survived by his wife, Rosemary and son Jason. God bless you, Wayne. We hope that as you walked thru the pearly gates of heaven, all your pain was gone. We will miss you and your antics. Maybe you can find an un-restored original car there as you had here on earth.

One of the first times I can remember meeting Wayne was at a car show held in Edmond. The dj was asking members of the group gathered there for different items for door prizes. The dj called out for a flashlight, \$20 bill, etc. Then he called out for a spare tire and Wayne went running up to the dj holding onto his "spare tire". I thought that the dj would never stop laughing, I know that I still laugh about that incident. Remember when we did a car show and he was staying in a room at the host hotel and all the women of COCCC placed post it notes on his door promising favors. Of course he knew it wasn't to be from us. He gave all of us good memories.

Happy Birthday in September to Doug Bradsher, Rudy Escalera Jr., Gale Garvin, Bill Hardy, Keith Marang, Annette Myers and Diane Preston. If your birthday was missed, it is because we don't have your birthday on record. To alleviate this in the future, please let someone know when your birthdays are.
