Classics Cruising

Central Oklahoma Classic Chevy Club met at 3 p.m. Saturday, March 25, at Swadley's Barbeque at 89th & S. Western for the monthly dinner cruise. Member, Bobby Burton lead the group out and headed North on Highway 74. There were a lot of heads turned while the group of classics cruised up the Oklahoma highways. It is always fun to drive as a group to see all the people stop and wave. We turned East on state highway 33 heading to Guthrie and our stop for a meal. We met the Dragoos there in their '55 turquoise Chevy. There were a few members in their daily driver cars. We ended up at "The Stables" barbeque restaurant. Good food was enjoyed by all members. While we were in the restaurant, we found out that there are member's wives that **DO**

NOT possess a set of keys for their **HUSBAND'S** classic. Some wives did not want the responsibility of owning the keys, some are **NOT** allowed to drive their classic, some do not know how to drive their classic, some are afraid to drive their classic. For those wives that are in the same predicament, our sympathy is with you.

Meeting Minutes for 3/12/2006

Meeting was called to order at 3:05 p.m. by David Reeds at the home of Ken & Peggy Buchanan. Members gave the Pledge of Allegiance.

Thanks were given to Larry & Annette Myers for the use of their 55 Bel Air convertible for the Express Personnel Conference.

Thanks were given to Annette Myers for the publishing of the Dashboard newsletter.

Discussion was held on a new location for the club to meet. President, Mike Smith, had been checking with Will Rogers Garden Center for the ability and cost of use. Larry & Annette Myers suggested that their shop could be used for the next meeting.

A poker run has been discussed for a club money maker. Mention was made of starting at Swadley's. Date suggested was on September 30. Must check to see when OU and OSU home football games were scheduled. Sonic drive in restaurants were suggested as we had used them in the past. Annette Myers made a motion for a committee to check on setting a date and 5 stops and report back to club. Rustyne Harris seconded the motion. Motion carried. The committee will be Ken Buchanan and David Reeds.

Treasurer's report was given by Treasurer, Rustyne Harris. Ken Buchanan made a motion to accept the report and Annette Myers seconded the motion. Motion carried.

Ken Buchanan made a motion to accept the minutes of previous meeting as written in March Dashboard. Gloria Escalera seconded the motion. Motion carried.

Rustyne Harris volunteered to make a bag for the U.S. Flag and pole to be transported to meetings.

There was discussion held on the club's Constitution and By-Laws that was printed in the February Dashboard. Members need to review and bring suggestions for changes to next meeting. Annette Myers volunteered Sherry Osborn and Kay Welch to help her review and make suggestions for revisions to the Constitution and By-Laws.

Dinner cruise is to meet at Swadley's on March 25 at 3 p.m. with a full tank of gas.

Treasurer, Rustyne Harris, suggested that the officers meet some time before the meetings to go discuss the business and bring recommendations back to the membership, instead of the discussions taking all the meeting time. We had done this with previous President's and it had worked out well. That way, the membership could do some fun things. We are no longer fun!!??

Next meeting is on Sunday, April 9, 2006 at 3 p.m. at the shop of Larry & Annette Myers, 6904 S.E. 15th Street, Edmond. 1-(405)340-5796 if you have any questions or are lost. I-35 at exit #140 in Edmond and go East 1.8 miles and on the South side of street.
