June 2013

A message from the President:

Hope everyone survived our recent storms. The big May 31st storm blew the roof off the west end of our shopping center but our office was unharmed. We were in our storm shelter for 3 hours and then without power for 5 days at home. The Guthrie show went well. The weather was nice and the club won \$25 for most cars. You will see the photos of our trophy winners below. See you all at the July meeting. Robert Bogardus
